   - The registration deadline is **24.02.2026**.
   - Late or incomplete registrations will not be considered.

3. **Team Composition**

   - A maximum of **4 members per team** is permitted.
   - Interdisciplinary teams (members from different branches) are strongly encouraged.
   - Team lead should register their team along with the members details in the portal.
   - Teams may consist of:
     - A mix of Third and Final Year students
     - Only Third Year students
     - Only Final Year students

4. **Faculty Guide Selection**

   - Teams must select their faculty guides through the portal during registration.
   - One faculty can guide multiple teams.

5. **Participation Rules**

   - Each student can participate in **only one team**.
   - Multiple registrations by the same student are strictly prohibited.

6. **Principal & SPOC Details**

   - In this edition, Principal details are pre-filled in the portal.
   - An OTP will be sent to the registered Principal's mobile number for verification.
   - In case of any changes to Principal details, updated information must be submitted through the below attached Google Form link: https://forms.gle/tTb3TDEqJ3SAwb3s9

7. **SPOC Login & Faculty Management**

   - For Niral Thiruvizha 2026, the **principal will serve as the SPOC**.
   - Existing login credentials (including last year's credentials) can be used to access the portal.
   - In case the password is forgotten or lost, the **"Forgot Password"** option can be used to reset it.
   - Addition or deletion of Faculty Guides can be managed through the SPOC login using the principal's credentials.

8. **Queries & Support**

   - For any queries or technical support, institutions may contact the Niral Thiruvizha coordination team through the official communication channels.
